The Nations Cup will be awarded to the nation whose entries score the highest number of points according to the following scale:

|                          |          |  |          |

| for the remaining places | 1 point  |  |          |

To determine the winning nation and the following positions, the best five results for the classes plus the results from the championships of each country qualify.

## 6. All Nations Cup - Straight Egyptians Breeders' Trophy The Sheikha Salwa Al Sabah Memorial Trophy

This is a perpetual trophy donated by Sheikha Sarah Fahad Al Sabah, Al Arab Stud and Bait Al Arab - the State Stud of Kuwait created in cooperation with the very well-known artist Mrs. Karen Kasper, USA.

Points will be awarded to the horses as in the Nations Cup competition (see above scale), but will be given to the country where the breeder has his citizenship at time of birth of the resp. horse. In case of joint breedership with different nations, the decision for one nation only should be given on the entry form.

## Conditions of Entry

The participating Straight Egyptian Arabian Horses must be accompanied at the show by a horse passport issued by a WAHO recognized Stud Book containing all vaccination records. Those horses coming from a country that does not issue a passport, must be accompanied by an official Registration document, issued by a WAHO recognized Stud Book, which includes a graphic description and all vaccination records. ## 6. All Nations Cup - Straight Egyptians Gelding class (Class 13)

The organizer will decide after the closing date of entry whether the gelding class takes place.

## Method of judging the classes (1 - 13)

**Six judges** will judge each class independently from one another and without catalogue according to the following criteria:

- a) Type
- b) Head & Neck (the individual marks for b1) Head and for b2) Neck & Shoulder will be added and divided by 2)
  - b1) Head
  - b2) Neck & Shoulder
- c) Body
- d) Legs
- e) Movement

The underlying concept is the 20-point-system with half points.

The final score will be calculated by adding up the individual scores for the criteria a, b (b1 + b2 divided by 2), c, d, e is added and divided by 5 (number of criteria a, b, c, d, e). The final result is then calculated by adding the results of the judges and dividing by the number of judges.

## Rule for ties

The higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. Failing a decision on either of these, one judge will be chosen by ballot whose class scores will be used to break the tie. (This applies to the places 1-10 of each class.)

## Championships

Championships are not given according to the results achieved in the preceding classes.

The following Championships will be awarded:

|  |                         |
|--|-------------------------|
| Yearling Fillies Championship                        | (class 1)               |
| Yearling Colts Championship                          | (class 2)               |
| Junior Female Championship                           | (classes 3 and 5)       |
| Junior Male Championship                             | (classes 4 and 6)       |
| Senior Female Championship                           | (classes 7, 8 and 9)    |

| Championship Geldings<br>(only if more than 1 class) | (class 13)              |

**The first, second and third placed horses in the classes qualify for the Championships. It is not possible to replace absent first to third placed horses with horses placed in lower positions.**

**A doping sample will be taken from all champions (gold medal winners). Other horses may be tested for the use of prohibited substances. If the result is positive, the costs are borne by the horse owner.**

## European Arab Horse Show Commission Blue Book 2025 - Methods and Rules for Ties and Championships

### The 'Open Championship' Judging Method will be used:

The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship. Horses placed first, second and third in the class will qualify for the respective championship.

1. The Championships will be judged as follows:

- All the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers.
- The horses will be judged individually, trotting and standing.
- Each judge will nominate his choice for gold, silver, and bronze medals together at the same time, from amongst all the horses qualified for the championship.

Points will be given to the nominated horses as follows:

- A horse nominated by a judge for Gold Medal will receive 4 points.
- A horse nominated by a judge for Silver Medal will receive 2 points.
- A horse nominated by a judge for Bronze Medal will receive 1 point.

The Gold Medal will be awarded to the horse with the most votes for Gold Medal Champion. In case of an equal amount of votes for Gold Medal Champion, the Gold Medal will be awarded to the horse with the highest number of championship points.

From the remaining horses:

The Silver Medal will be awarded to the horse with the highest number of championship points.

The Bronze Medal will be awarded to the horse with the 2nd highest number of championship points. In the case of a tie, the Rules for Ties in championships will be followed.

The judges will not discuss the horses.

2. A fourth horse will be selected which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.

3. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class.

Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship.

4. All horses that are awarded a medal in their respective Championships must take part in the Championship prizegiving ceremony. Unless the DC decides otherwise, in which case any representative of the horse may accept the medal without the horse being present, failure of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show.

In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Championship.

During the prizegiving ceremony, the horse may only be on the lead of the designated handler or a substitute deemed capable at the discretion of the ringmaster/DC.

The Bronze Medal winner will be called and awarded first, then the Silver Medal Winner and the Gold Medal Winner.

The votes of each judge in the Championships will be published immediately after each Championship.

5. In Title Shows, A Shows, GCAT Shows and the World Championships, all horses that qualify for their respective Championship must remain at the showground until after their respective Championship. Any horse leaving the show ground before their Championship will be disqualified.

## Regulations

1. The Rules of the Blue Book 2025 of the European Arab Horse Show Commission (EAHSC) fully apply to the complete event. In case of doubt or disagreement, the original English version becomes effective.  
Apart from that, the following regulations are effective:
  - Rules for Conduct of Shows
  - Rules for Ties and Championships
  - Rules for Medication Control
  - IV Addendum

### **Note: Correction of the rule in the ECAHO Blue Book 2025, Rules for Conduct of Shows Paragraph 32 - Hereditary disorders**

#### a) Overbite/underbite

Overbite/underbite of **more than the depth of one tooth** is not permitted. Horses 12 months old and older cannot compete unless they have a veterinary certificate to verify that they do not have overbite/underbite.

A copy of the veterinary certificate has to be sent together with the entry form to the show office. The original certificate needs to be presented to the DC together with the passport and vaccination documents.

#### b) Cryptorchidism

Colts 24 months old and older or stallions cannot compete unless they have a veterinary certificate to verify that they do not have cryptorchidism. If the colt's condition changes, and upon a completed veterinary certificate, the horse is then eligible to compete.

A copy of the veterinary certificate has to be sent together with the entry form to the show office. The original certificate needs to be presented to the DC together with the passport and vaccination documents.

Participants submit themselves to the judges' decisions, which are limited to that particular show event and based on the classification system fixed in the schedule. The judges have been invited by the promoter; they work honorary and are not representatives of the societies they belong to.

2. All horses which enter the Show Ground and are stabled in the stalls / boxes must be free from infections and from a home free of epidemic diseases. They must be effectively vaccinated against INFLUENZA (see Blue Book 2024, IV. Addendum). The Vaccination Certificate has to be presented! A copy of the Vaccination Certificate and the registration certificate/equine passport with graphic description has to be sent together with the entry form to the show organizer and must be presented at the showground for identification.

In case of a non-existing passport the responsible veterinarian is authorized to make a charged check-up of the horse in question.

According to the DC veterinarian's decision, any horse may be quarantined.

3. No compensation for the transportation costs can be granted.
4. The **entry fee is EUR 150 per horse** in all competitions. The fees have to be paid **until 17. August 2025 by the exhibitor**; otherwise the organizer can exclude horses from the show.
5. **Reservation of boxes have to be made together with the entry and can only be considered if the fee of EUR 220 for a box with straw as well as for a tack box, or EUR 250 for a box with wood shavings has been paid.**  
**Cancellation of entries and / or box reservations without any costs will only be accepted until 01. September 2025. After this date, the entry and box reservation fees need to be paid in full.**
6. The organizer does not accept liability for accidents, diseases, larceny, fire, or damage of any kind with persons, animals, and things. Especially there will be no liability towards a third party as regards material damage. Participating animals as well as all other animals brought along need to have a third-party liability insurance via the owner. The owner/halter declares with his signature that the third-party liability insurance for the respective participating horse exists in an adequate manner. Everyone is personally responsible for damage towards a third party caused by the person themselves, their employees, people being authorized by them, or by their horses. Any inscription/information in the catalogue is supplied without liability. Errors accepted. Warranty claims and claims to recourse towards the show organizer as regards inscription/information in the show catalogue are expressly excluded. Instructions given by the organizing team and by the stewards must be followed. Visitors enter the show ground at their own risk.  
Any change or damage to the stables and equipment will lead to disqualification. The person causing the damage will be held responsible.
7. The handlers are asked to wear proper and tidy clothes. They are allowed to wear any costume normally worn in their country of origin, but without any advertising on it. The horses have to be presented in leather bridles or light halters. Stallions and colts aged three years and over may be shown wearing suitable bridles with bits.
- 8a) Horses will appear in the collecting ring no less than 10 minutes before the start of the class.  
b) Exhibits that appear late (missing the walk around the ring) will be excluded from the class.  
c) Procedure in the collecting ring:  
No more than 2 persons are allowed to assist the handler in the collecting ring. These persons as well as the handler should wear the number of the horse, to identify them clearly. Anybody not wearing a number relevant to a horse in the respective class will not have access to the collecting ring. The show organizer must provide three sets of numbers per horse to all exhibitors. Only one person is permitted to assist the handler during the warm-up, using only a standard schooling whip with an attachment of plastic no more than 10 cm long. All other support or aggravation from inside or outside the collecting ring is prohibited. Horses may be warmed up in the collecting ring, but to avoid injuries and overstressing the horses, they may only be lunged in big circles at a modest pace. Any chasing, hunting, or scaring of the horse is forbidden. In the corridor between the collecting ring and the show ring, only the handler and the horse are allowed. One assistant is allowed in the corner next to the entrance to the show arena.
9. Stable equipment has to be provided by the exhibitors.
10. All Gold Champions will be tested for prohibited substances. Any other horse may be tested for prohibited substances at request of the DCs. If the result is positive, costs have to be carried by the owner of the horse. All exhibitors will be expected to conduct themselves in the spirit of the rules of ethical show behavior and will be held responsible for themselves and their handlers.  
  
The show committee, the judges, the disciplinary committee and the stewards shall not be liable for any consequence of any decision they may make.
